For this lesson I'm going to show you how I use a capo to play the key of G up the neck. This is a technique I use in a variety of situations including when there are multiple guitars in an arrangement. I'll be using the 8 bar blues form for this lesson which is used in hundreds of songs including the How Long Blues and Trouble in Mind.

G	G	C	C
G	D7	G	G D7

Capo 3rd Fret

E	E	A	A
